

# FIZZY ELDERFLOWER

## FOR THE SODA TWIST'N SPARKLE

### INGREDIENTS

- 420 ml** water
- 230 ml** white wine
- 50 ml** elderflower syrup
  - 1** organic lime(s)
  - 2** stalk of mint

### PREPARATION

Wash the mint and lime. Finely dice half of the lime and squeeze out the juice from the other half.

Pour all ingredients into the iSi Twist'n Sparkle and carbonate using an iSi Soda Charger. Wait 2 minutes before opening.

For a non-alcoholic version, replace the white wine with ginger ale.

→ **Tip:** For that extra bit of fizz, cool the drink well and add carbon dioxide.

*Enjoy Cooking!*
